MESSAGE

5th September is celebrated as “Teachers’ Day” as the mark of great respect and tribute to the teachers for their contribution to the society. The role of teacher in shaping the personality of the child is of utmost importance and as such it gives the highest position and respect to the teacher in the society. A true teacher is always selfless and strives for the betterment of the children to prepare them to meet the challenges of life. As always mentioned in his speeches by our most beloved, true nationalist and inspiring personality our former President of India – late Dr. A.P.J. Abdul Kalam that **“if India has to become super power and corruption free country only three people in the society can make it happen i.e., Father, Mother and Teacher”**. This signifies the importance of a Teacher in the society.

This year, being 125th birth anniversary of Dr. Sarvepalli Radhakrishnan – one of our greatest teachers whose birthday being celebrated as “Teachers’ Day” assumes more significance.

On this occasion, I extend my respects and heartiest greetings to all the Teachers of Jawahar Navodaya Vidyalayas across the country for their relentless, selfless and committed service to the rural talented children.

3rd Sept. 2015.
